## INFORMATIVE DIGEST/POLICY STATEMENT OVERVIEW

Welfare and Institutions Code Sections 10553 and 10554 and Health and Safety Code Section 1559.110 assign responsibility to the California Department of Social Services (CDSS) to make and enforce all rules appropriate to the proper accomplishment of the functions of CDSS.

The proposed regulations address four separate though related elements: The Independent Living Program (ILP), the Transitional Independent Living Plan (TILP), the Transitional Housing Placement Program (THPP), and the Transitional Housing Program-Plus (THP)-Plus.

Recognizing the exceptional needs of foster care youth, Congress passed The Consolidated Omnibus Budget Reconciliation Act (COBRA) of 1985 (Public Law [PL] 99-272). This Act authorized funds to states for ILP, which includes services, programs and activities to assist eligible youth in Title IV-E funded foster care to make the transition from foster care to independent living. Subsequently, Congress reauthorized the ILP with the Omnibus Budget Reconciliation Act of 1993 (PL 103-66).

However in spite of this support, it was discovered that many of these youth were homeless upon leaving foster care. As a result, Congress passed the Foster Care Independence Act of 1999 (H.R. 3443), also known as the Chafee Foster Care Independence Act. This Act reconfirmed and increased ILP services requirements. In addition, the California Legislature passed Senate Bill (SB) 933 (Chapter 311, Statutes of 1998), which extended ILP services to all eligible foster care youth up to the age of 21 years and gave counties the option of providing ILP services to younger youth.

All eligible foster care youth are permitted but not required to participate in the ILP. However, all foster care youth 16 years of age and older must have a TILP whether or not they are participating in the ILP. The TILP is a federally mandated written plan developed by the counties in collaboration with each youth and included in the case plan. The TILP identifies the youth's current level of functioning, emancipation goals and the specific skills needed to prepare the youth to live independently upon leaving foster care. The Chafee Foster Care Independence Act of 1999 and Assembly Bill (AB) 1979 (Chapter 271, Statutes of 2002) enacted provisions that impact TILP requirements.

The THPP is a program under which supervised youth live independently while attending high school and learning the skills of daily living. AB 1198 (Chapter 799, Statutes of 1993) established the pilot THPP. AB 2774 (Chapter 873, Statutes of 1998) allowed THPP statewide implementation, and AB 427 Chapter 125, Statutes of 2001 broadened the THPP eligibility to include youths age 16 and expand permissible housing models.

The THP-Plus originated as a housing program for young adults who have emancipated from foster care and are receiving financial assistance through the Supportive Transition Emancipation Program (STEP). THP-Plus was established by AB 427, which mandated emergency regulations to implement both THPP and THP-Plus provisions. The two programs (THP-Plus and STEP) were delinked by AB1119 so that it is no longer required to be a STEP participant to access THP-Plus.

Implementation of the proposed regulations will provide fair and equitable treatment to eligible foster care youth by providing services and programs to assist them to be self sufficient upon leaving foster care.

#### COST ESTIMATE

Costs and Savings to State Agencies: There will be no additional costs to implement these regulations.

Cost and Savings to Local Agencies or School Districts: The Department has determined that these regulations will have no fiscal impact on local agencies or school districts.

Nondiscretionary Costs or Savings to Local Agencies: None

Federal Funding to State Agencies: The Department has determined that these regulations will have no fiscal impact on federal funding to state agencies.

#### LOCAL MANDATE STATEMENT

These regulations do impose a mandate on local agencies but not on school districts. There are no state mandated costs in these regulations which require state reimbursement under Section 17500 et seq. of the Government Code because these regulations merely amend existing Divisions 11, 30, and 31 regulations and adopt regulations that clarify policy issues for currently funded programs. The Independent Living Program is an existing program that does not impose any new requirements on counties. County participation in THPP and THPP-Plus is optional.

#### STATEMENT OF SIGNIFICANT ADVERSE ECONOMIC IMPACT ON BUSINESS

CDSS has made an initial determination that the proposed action will not have a significant, statewide adverse economic impact directly affecting businesses, including the ability of California businesses to compete with businesses in other states.

#### STATEMENT OF POTENTIAL COST IMPACT ON PRIVATE PERSONS OR BUSINESSES

CDSS is not aware of any cost impacts that a representative private person or business would necessarily incur in reasonable compliance with the proposed action.

#### SMALL BUSINESS IMPACT STATEMENT

CDSS has determined that there is no impact on small businesses as a result of filing these regulations because these regulations are only applicable to state and county agencies.

#### ASSESSMENT OF JOB CREATION OR ELIMINATION

The adoption of the proposed amendments will neither create nor eliminate jobs in the State of California nor result in the elimination of existing businesses or create or expand businesses in the State of California.

#### STATEMENT OF EFFECT ON HOUSING COSTS

The proposed regulatory action will have no effect on housing costs.

#### STATEMENT OF ALTERNATIVES CONSIDERED

CDSS must determine that no reasonable alternative considered or that has otherwise been identified and brought to the attention of CDSS would be more effective in carrying out the purpose for which the regulations are proposed or would be as effective and less burdensome to affected private persons than the proposed action.

#### AUTHORITY AND REFERENCE CITATIONS

CDSS adopts these regulations under the authority granted in Welfare and Institutions Code Sections 10553, 10554, and Health and Safety Code Section 1559.110. Subject regulations implement and make specific Health and Safety Code Sections 1502(a)(1), 1503.5(a), 1559.110, 1159.115, and 50580; Welfare and Institutions Code Sections 366, 602, 706.6, 727.2 and .3, 1896.6, 10553, 10554, 10609.3 and .4, 11155.5, 11400, 11403, 15200, 16501, 16501.3(c), 16501.5, 16502.1, 16522, 16522.1, .2, .5, and .6, and 18987.6; Section 7000, Family Code; Sections 1940, et seq. Civil Code; and 42 U.S.C. Sections 675 and 677.
